**Kenneth J. Pia, Jr. has been appointed to the
Connecticut Eminent Domain Task Force**

New Haven, CT – Kenneth J. Pia, Jr., CPA, ABV, ASA, CBA, Member and Director of Meyers, Harrison & Pia, LLC Business Valuation Department, was appointed to be one of two business appraisers on the committee of 12 for the Connecticut Eminent Domain Task Force which was approved by Congress in its last session. State of Connecticut allows the state to take possession of a person's real estate property if they want it. There are specific laws that protect the property owner and if this does occur the property owner will be compensated appropriately. This is not the case for loss of business value if the state forces a business to relocate. By establishing this task force, it will enable the committee to determine methodologies in order to calculate the lost economic intangible value of the business due to the state exercising domain rights. Mr. Pia was appointed due to his extensive experience in the field of business valuation.
